

# Eczema Relief For Kids

**Ingredients:** 100% Pure, Certified Organic and Wildcrafted oils of Melissa, Chamomile, German; Lavender, vera; Sea Buckthorn, and Grape Seed

Atopic dermatitis (AD), often called eczema or atopic eczema is a very common skin disease affecting between 8.7% to 18.1% of all infants and children. While the exact cause is unknown, eczema results from a combination of genetic heredity and a variety of conditions in everyday life that triggers a red, itchy rash.

Triggers vary from child to child, but can include dry skin, stress, heat and sweating, infections, allergens, and environmental irritants.

Many children suffering from eczema experience a worsening of symptoms when they have a cold or other infection. Most have problems in the winter with cold, dry air, but others are bothered more by humid summer weather.

Eczema Relief For Kids is a proprietary blend of Essential Oils that have been shown to assist and help support the body with the discomfort of atopic dermatitis in children ages 2 years and over.

## ingredient highlights

- Melissa, also known as Lemon Balm, is a medicinally powerful Essential Oil. It is famous for its soothing, memory boosting, and antidepressant abilities.
- German Chamomile supports the body's natural response to irritation and injury by clearing heat from the body. It is well known for its anti-inflammatory properties, making it a frequent choice for use in skincare products.
- Lavender Vera, from the high altitudes of Bulgaria, is an excellent tonic for the nervous system. It is the Essential Oil most associated with burns and healing of the skin.
- Sea Buckthorn is a highly prized oil typically used to treat damaged skin. It contains essential fatty acids, carotenes, and tocopherols designed to nourish and rejuvenate skin.
- Grape Seed Oil has several important health benefits. It is a good source of essential fatty acids and Vitamin E. The polyphenols and flavonoids found in this oil contain strong antioxidant compounds.

## suggested usage

- Apply Eczema Relief For Kids to areas of concern, not to exceed two applications per day.
