

MARY, Mother of Jesus

Woman of faith, purity, courage, trust, and worthiness

According to the Bible, Mary was an Israelite Jewish woman of Nazareth in Galilee and the mother of Jesus. Among her many other names and titles are Saint Mary, Blessed Virgin Mary, Mother of God, and Virgin Mary in Western churches. She is identified in the New Testament as the mother of Jesus through divine intervention.

suggested usage

BATH

One of the ways Essential Oils were most often used in the time of Mary.

- Add 10 drops of Mary blend to ½ cup of Clay Vitality or Vitality Bath Salts, and add to your bath. Soak 10-20 minutes for best results. If you are feeling lost and alone without a sense of connection to inner guidance and are unsure of where your destiny lies, while soaking say a prayer or affirmation to connect to the source and be open for divine guidance. The Mary bath will detox past separation imprints, allowing awareness of God's love and guidance to take place. For intensive therapy, soak once a day; if you can't do a full bath you can do a foot soak instead.
- For a foot bath, add 5-8 drops of Mary blend to ½ cup of Clay Vitality or Vitality Bath Salts, and soak feet 10-20 minutes for best results.

MISTING SPRAY

In Mary's time, Essential Oils and resins were burnt as incense for prayer and offerings. We can use the spray misters to send the Essential Oils into the air without the smoke.

- Mix 12-15 drops in a 4-ounce cobalt blue spray bottle of distilled water. Mist around yourself, front and back, when feeling insecure, fearful, and in need of courage to change your life. Think of Mary who kept her faith in God and accepted the opportunity to be the mother of Jesus. Can be used throughout your home or workplace to create a feeling of courage, purity, strength, and absolute faith. Shake well before use.
- Mix 6-8 drops in a 2-ounce cobalt blue spray bottle to carry with you; mist generously whenever you need extra support at work, or when away from home. May also be shared with a friend or family member in need of guidance, courage, and strength to follow their destiny.

TOPICAL

Applying to the head and feet was an important way to use Essential Oils in Mary's time. Women were also known to apply Essential Oils to the entire body as a lotion since this was thought to enhance their connection to God and their spiritual life.

- Apply 1-3 drops to the sole of each foot. A powerful way to instill the courage and faith needed to move forward and do whatever is necessary to fulfill your destiny.
- Add 8-10 drops to goDésana Organics' Age Delay Hydrating Hand & Body Lotion or carrier oil and use after your bath to nourish and moisturize the skin.
