

Tooth Relief

soothing blend

Toothaches can have a variety of causes. Tooth decay, a bacteria-induced infection, is one common cause of dental pain. Others causes may include teething, food wedged between the teeth, orthodontic appliances, or a broken tooth.*

Tooth Relief is a proprietary blend of Essential Oils that have been shown to assist and help support the body with tooth discomfort in adults and children.*

ingredient highlights

Lavender, spike, sometimes referred to as Spanish Lavender, is native to Spain, France, Italy, the Mediterranean region, and Northern Africa. It contains a greater percentage of camphor than regular Lavender, giving it stronger analgesic and expectorant properties. It is an excellent choice for easing headaches, muscle aches, pains, and the discomfort associated with arthritis.*

Rosemary ct. 1,8 cineole is excellent with pulmonary congestion and respiratory conditions such as colds, flu, strep, bronchitis, and sinusitis. Its stimulating and uplifting properties are of added benefit when dealing with asthma or other respiratory issues involving a nervous or emotional component.*

Rosemary ct. 1,8 cineole is high in oxides. It's noted to be mucolytic, expectorant, antispasmodic, fungicidal, antibacterial, and antiviral. It is traditionally used for lung congestion, to increase cerebral blood flow, and to decrease chronic inflammation.*

Grape Seed Oil is rich in linoleic acid, an important essential fatty acid for the skin and the cell membranes. It has excellent regenerative and moisturizing properties.*

suggested usage (3 years & up)

TOPICAL

- Apply as needed to the painful area of the outer jawline.*

RESPONSIBLE CAUTIONS

- Keep out of the reach of children and pets.
- Use as directed, and adhere to Responsible Cautions at www.godesana.com/cautions.asp.
- Store away from sunlight, at room temperature, with the lid securely tightened.

ingredients

Lavender, spike; Rosemary ct. 1,8 cineole, Grape Seed, Fractionated Coconut
